**Total dollars**  
given through Casual Days

## Living Water International 2025: Guatemala

In 2025, Triumph celebrated its 11th year of partnership with Living Water International. 12 team members from across the Triumph organization traveled to Guatemala and spent the week drilling a water well to improve clean water access and sanitation quality in the community of El Obrajey. The team also taught bible stories and hygiene lessons to local children, serving as living embodiments of Triumph's values.

"This was a very humbling and amazing experience that will stay in my heart forever. All of the activities led to one purpose: helping the community and supporting their growth."

– Miguel Beruman  
Living Water 2025 Team Member

# Family Volunteer Day

In 2025, Triumph hosted our first Family Volunteer Day, providing an opportunity for team members to serve alongside their family members and fellow teammates. Partnering with Sleep in Heavenly Peace, we set up in the parking lot of our Dallas headquarters to assemble 55 beds for children in DFW who are currently sleeping on the floor, the couch, or sharing a bed with a family member. Beds are delivered to a child's home with a mattress, safely assembled, and styled with a sheets and blanket set and stuffed animal. Triumph was proud to join Sleep in Heavenly peace on their mission to ensure 'no kid sleeps on the floor in our town!'

## TriumphWorkshop

Triumph Workshop is a Dallas, Texas makerspace serving the community through workforce development, education initiatives, and entrepreneur support. Trained instructors teach a variety of classes, and memberships are available for people to utilize the equipment outside of scheduled classes and programs.

### 2025 IMPACT BY THE NUMBERS

26 Forge the Future graduates

78 Students in Education Initiatives

45 Entrepreneurs utilizing the Makerspace

"Triumph Workshop and Forge the Future have been one of the greatest hand-ups I've been given. The program gave me skills and opportunities to grow as a skilled laborer and hobbyist. It's been such an honor to work with Cody and the guys, and I look forward to many more years of opportunities!"

– Dalton

# TBK Bank in Our Local Communities

At TBK Bank, Community Relations is more than participation, it is a strategic commitment to strengthening the markets we serve. Across our footprint, we invest in initiatives that build relationships, increase visibility, and support long-term community growth. We actively support numerous membership organizations, local business groups, and charitable initiatives across our markets, partnering with organizations that strengthen the communities we serve.

## Midwest

**Quad Cities Marathon** - For more than two decades, TBK Bank has proudly supported the Quad Cities Marathon, a signature community tradition that brings together thousands of runners, volunteers, and spectators each year. Our employees show up at every mile marker, from the start line to the finish, demonstrating our commitment to community wellness, connection, and regional pride. This long-standing partnership reflects the strength of our presence in the Quad Cities and our continued investment in meaningful, high-impact events.

## Front Range

**St. Jude Dream Home Giveaway** - Through our long-standing partnership with St. Jude Children's Research Hospital, TBK Bank helps turn hope into reality for families facing unimaginable challenges. The St. Jude Dream Home Giveaway is more than a home, it is a symbol of resilience, generosity, and community strength. For over a decade, our support of this initiative has helped drive meaningful impact in the Colorado Springs market while aligning with our purpose of helping people triumph.

## Mountain

**Cookies & Cocoa with Santa** - In Durango, our branch transforms into a winter wonderland, welcoming hundreds of families each year for Cookies & Cocoa with Santa. From crafts and caroling to photos with Santa, this event reflects our belief that community banking is about creating moments that matter. Designed and executed by our local teams, it highlights the power of employee engagement and our commitment to creating authentic, family-focused community experiences.
